

The Landform Song
(Sung to the tune of *Are You Sleeping?*)

I'm a landform, I'm a landform,
Yes I am, Yes I am,
Natural feature on land, Natural feature on land
All around, All around.

I'm an ocean, I'm an ocean,
Yes I am, Yes I am,
Water around continents, water around continents,
And salty, And salty.

I'm a valley, I'm a valley,
Yes I am, Yes I am,
Ground between two hills, Ground between two hills,
Or mountains, Or mountains.

I'm a prairie, I'm a prairie,
Yes I am, Yes I am,
Flat or rolling grassland, Flat or rolling grassland,
Few trees, Few trees.

I'm a desert, I'm a desert,
Yes I am, Yes I am,
Dry, sandy area, Dry, sandy area
Plants can't grow, Plants can't grow.

I'm a river, I'm a river,
Yes I am, Yes I am
Starting in the Mountains, Ending in the Ocean,
Fierce and Strong, Fierce and Strong.

I'm a mountain, I'm a mountain,
Yes I am, Yes I am
Land with steep sides, Land with steep sides
And sharp peak, And sharp peak

I'm a lake, I'm a lake
Yes I am, Yes I am
Body of water, body of water,
Land all around, land all around
